EP · MODEL EFX302 / EFX322 / EFL302 / EFL352

EP 3–3.5 Ton Li-ion Forklifts

EP lithium forklifts rated 3.0 to 3.5 ton: compact EFX with a removable battery for tight aisles, or big-tyre EFL with IPX4 for indoor and yard work.

BEST FOR

- Warehouses, factories and logistics hubs
- Narrow aisles and tight spaces (EFX)
- Moving between the warehouse and the yard (EFL)
- Multi-shift work with removable batteries or opportunity charging
- Outdoor work, even in the rain
- Clean, enclosed areas and data centre projects where exhaust is not acceptable
